### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney H. Fricke on May 17, 2004.

2. The application has been amended as follows:

In the Specification:

Page 1, after the title paragraph "Electro-dipcoating ... the stoved coating film", insert this paragraph --This application is a 35 USC 371 National Stage filing of PCT/EP99/02947 on April 30, 1999--.

In the Claims:

Cancel claim 22.

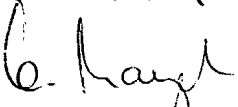

3. The following is an examiner's statement of reasons for allowance: Because of Applicant's arguments in page 8 of the response of March 1, 2004 that since KLEIN's anti-cratering composition requires polymer (A), a cationic (meth)acrylic copolymer, KLEIN does not use nonionic homopolymers or copolymers of 2-ethylhexyl acrylate as an additive in a cathodically depositing coating composition as claimed in claims 9-21 and 23.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kishor Mayekar whose telephone number is (571) 272-1339. The examiner can normally be reached on Monday-Thursday.
